IM-91

Director of Central Intelligence

Assistant Director, Reports and Estimates

IM-91: World's Proved Crude Oil Reserves

ENCLOSURE: Three copies of subject data.

1. Attached data are forwarded herewith in compliance with your request.

2. It is noted that the figures on Estimated Proved Reserves as at 3 December 1947 are those appearing in the earlier unclassified memorandum based on data published in World Oil (February 1948). The Estimated Proved Reserves as at 1 December 1948 are based on the above figures adjusted in accordance with classified and unclassified information in ORE files.
